

## **THE NATIONAL HEALTH SERVICE PODCAST**

It is 5 July 1949, the first anniversary of the creation of the National Health Service. You are a reporter for the BBC and you are making a broadcast to celebrate the anniversary:

You have to interview a pensioner or a parent or a child about the changes that have taken place under the NHS.

You should ask about;

- ? Hospitals and Health centres
- ? Dentists, opticians and chiropodists (foot care)
- ? Free medicines and check ups
